I declare that the information I have given is both true and correct. I understand that giving inaccurate or false information, or submitting false or fraudulent documentation or withholding relevant information will affect my ability to enrol or remain on a course of study at the University. I also understand that the University may require further documentary evidence to verify this information and that failure to produce this may result in me being charged 'Overseas' fees. I also understand that the University is unable to accept responsibility for any original documents submitted with this questionnaire. I agree to pay fees at the advised rate on an annual basis, subject to increase, for the duration of the course and accept that my fee status is based upon the eligibility criteria for 'Home' student status as outlined on the UK Council for International Student Affairs (UKCISA) website. I understand that this status cannot be amended part way through my course unless I meet the eligibility criteria set out by the UKCISA regulations. However, I understand that if it transpires that I do hold an Equivalent or Lower Qualification (ELQ) that was not declared on your application form, this may affect my fee status and I may be liable to pay an increased amount in tuition fees.

Under the Data Protection Act 1998, the information you supply will be held in the strictest of confidence for the purpose of ascertaining fee status only and may be viewed by you subject to written request.
