2. Select the items you are interested in by adding them to your basket (click on the basket icon to the right of each record)
3. When you've finished making your selection click on the basket icon at the top of the page to view what's in your basket
4. Print the list by clicking on **File** → **Print**. (Please note that you cannot print from the dedicated Library Catalogue terminals located in the Library).

It's also worth checking the Children's Reference Collection at shelfmark 028 (next to the Enquiry Desk in the Children's Collection) where you will find bibliographies covering a wide variety of subjects and on all aspects of children's literature.
