

Learning Development Drop-in Sessions

Learning Development drop-in sessions are for quick questions and queries and appointments will last no longer than 15 minutes. Please bring as much information about your query as possible – one or two clear points or questions – and note that the tutor will not be able to read more than a paragraph of work in the session.

Drop-in sessions do not require pre-booking but work on a first come, first served basis. Please arrive early to ensure the greatest chance of being seen. When there is particularly high demand, we regret that it will not be possible to see all students.
