GETTING IT RIGHT FOR LEARNERS WITH DYSLEXIA

This day course offers strategies for the effective inclusion of learners with Dyslexia. It provides each delegate with a deeper knowledge and understanding of the needs of a range of learners and provides the skills necessary to create appropriate interventions.

What to expect on the training:

- Strategies for clear communication
- A simple and effective guide to adapting the classroom to meet the needs of the learners with Dyslexia, whilst continuing to fully include their peers
- Identification strategies
- Communication issues and simple strategies to overcome them
- General learning environment strategies (linked to sensory issues)
- Effective strategies to enhance tracking and reading skills
- Making extra time meaningful (study, homework, revision, assessments etc.)
- A range of structured, multi-sensory strategies to improve literacy skills
